RULES OF THE PHOTOGRAPHY COMPETITION

"Capturing [Y]our Europe"

Organised by the European Committee of the Regions

Topic, purpose, and spirit of the initiative

Europe has a rich artistic tradition and a large youth population that is creative, passionate and politically engaged. With the aims of promoting artistic talent from across European regions and cities and empowering the youth to put their unique perspective forward, the Trainees of the European Committee of the Regions are organising the photography competition and exhibition "Capturing [Y]our Europe".

The photography competition will ask young people to answer the question "*How do you feel the presence of the EU where you live?*" through two photographs. **Participants must send two photographs: the first, representing the EU's impact on their region or personal life; the second, representing their hopes for the future.** Whether it is a community centre built with EU funding or a strong friendship made through an Erasmus exchange programme, participants will creatively depict the impact of the EU in their region and on their personal lives.

Photographs may show, by way of example, a monument, an artwork, a natural or urban landscape, persons or animals, a dish, a painting or a drawing, all representing how the photographer feels the presence of the EU where they live and their hopes for the future.

The competition is addressed to young people aged between 18-30 years old as of 1 May 2019. Young people who live in the European Union, regardless of their nationality, may

apply. There is no participation fee for applicants. Each applicant may apply once (i.e. two photos).

Prospective applicants can find the rules of the photography competition below. For any additional information, participants are encouraged to contact the Y-Factor team via e-mail at the following address: YFactor.Contest@cor.europa.eu.
